

THREE D METALS

Three D Metals, Inc. California Proposition 65 Warning

Three D Metals, Inc. is a leading service center and processor of both Ferrous and Nonferrous metals produced by a number of mills around the world. These metals come in different forms, including coil, bar, and pipe. This warning concerning these products is being provided pursuant to California's Proposition 65.

Proposition 65, which is officially known as the Safe Drinking Water and Toxic Enforcement Act of 1986, requires certain businesses to provide warnings in various circumstances about significant exposures to chemicals which are known by the State of California to cause cancer, birth defects or other reproductive harm. The latest list of chemicals and other information on Proposition 65 can be found at http://oehha.ca.gov/prop65/prop65_list/Newlist.html.

Please be advised that each of the Ferrous and Nonferrous products Three D Metals sells, regardless of their form (coil, bar, and pipe), contain chemicals on the California Proposition 65 list, including Lead. Accordingly, please take heed of the following warning:

WARNING: This Product can expose you to chemicals including Lead, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

Safety Data Sheets and other documentation Three D Metals received from our mills regarding the products can be provided within a reasonable time frame upon request. We can be contacted by phone at 330-558-0788 or by email at quality@threedmetals.com. Thank you,
