

THREE D METALS

European REACH Regulation

Three D Metals, Inc. and its division Williams Metals and Welding Alloys does not manufacture any of the products sold and adds value by slitting, edging, cutting, sawing and oscillating material purchased from manufacturers. The Three D Metals, Inc. Purchasing Terms and Conditions to the manufacturers of products to Three D Metals, Inc. require that the raw materials are REACH compliant per the European REACH regulation.

In the event that raw materials provided to Three D Metals, Inc. are not REACH compliant, Three D Metals, Inc. is required to be notified by the manufacturer.

Materials that are supplied by Three D Metals, Inc. do not contain Substances of Very High Concern (SVHC) in quantities above the established limits on the EU Candidate List dated January 19, 2021 with the exception of leaded brasses which contain $>.1\%$ lead but no other SVHC's.

Should you have any further questions, please feel free to contact me at 330-558-0788.

Sincerely,

John Bakuhn, Jr.
Director, Corporate Quality
